PS-TENNIS

Fence-mounted linear LED for tennis and padel

NO POLES NEEDED

PRODUCT DESCRIPTION

PS-TENNIS is a fence-mounted linear LED for smaller sports sites such as tennis and padel courts. Lights sit on the sides of the court and give a low-glare solution without erecting light poles.

- Mounts on adjustable brackets
- Adjustable visor to control spill and glare
- Optics: P30, P40 and P50
- Knob dimmer for adjustable power
- IP65 · 150 lm/W · Osram driver · Philips SMD5050
- Optional DALI / Zigbee (also 1-10 V and photocell)

TENNIS AND PADEL

Court lighting on the fence, not on poles

Mount linear fittings on the court fence to light tennis and padel courts without separate lighting poles.

Fence mounted

Mounts on adjustable brackets along the fence or court structure.

Low glare

Adjustable visor tilts to control spill and glare.

Smart options

P30, P40 and P50 optics; knob dimmer; optional DALI / Zigbee.

CERTIFICATION **IP65**

5-year warranty on the fitting. Component brands as published on the Polaris sheet.
